Some could claim that this was bound to happen, being that James isn't shy about his admiration for Best Jordans Shoes and publicly wears the brand in support of Ronnie Fieg and the good folks at the brand. Also, it doesn't hurt that LBJ's business partner, Maverick Carter, is on the KITH advisory board as well. Unfortunately, we're left in the dark on whether the Ronnie Fieg x KITH x Lebron James collaboration will be an apparel exclusive or include footwear which means that Nike would be involved throughout the curation process as well.
The Jordan 4 For Sale Equipment line has proven worthy to be a major part of the trefoil gang's sneaker lineup as the combination of classic running silhouettes and modern technology has turned out to be righteous combination amongst sneakerheads. And now the German sneaker curators have another line of adidas EQT silhouettes surrounding the color palette of 'Energy Aqua'. Check out the full lineup of sneakers for both men and women in the images provided above.
September 1st is quickly approaching and that will mark the official release of the highly anticipated Cheap Curry 4 collection. For the last few months we have been previewing the Air Jordan 1 "Chicago" that will be getting Virgil Abloh's spin and it seems like new images are popping up daily. Today we get up close and personal with the shoe once again as we get a better look at what is in store.
