

The [Best Jordans Shoes](#) is celebrating their 20 year milestone this year, so it's only right that the sneaker continues to dominate the spotlight. The silhouette has been spotted in various colorways over the last few months so this upcoming drop should prove to be just as popular. Images haven't leaked yet but we do know the shoe will be sporting a multi-colored, black and sulfur make up. As of now a release date is slated for sometime next month so be sure to keep it locked to SneakerWatch as details unfold.

[Jordan 4 For Sale](#) may not be the most lyrical rapper in the game today, but there is no argument when it comes to how overly popular he is to today's youth. The ATL rapper has has a following that is right up there with any other new rapper and even had enough popularity to garner some sneaker collaboration offers. During the latest the Complex's Sneaker Shopping Yachty talks about having to turn down a sneaker deal from a major company.

With rumors swirling about the release of a possible low-top [Cheap Curry 4 Low 'Cool Grey'](#) in 2018, Jordan Brand is wasting no time this summer with the upcoming confirmed release of the Air Jordan 13 GS 'Cool Grey'. The 'Cool Grey' colorway is widely considered one of the best colorways and now JB has utilized this colorway just for kids. This shoe features a grey leather upper with hints of white and pink throughout the shoe. This shoe has a pretty simplistic look yet will probably be one of the hottest back school kicks for kids this Fall.
