

While the [fifa 18 moedas](#) demo doesn't have an official release date, EA Sports has announced plans to make the game playable at the Insomnia61 festival in the UK. And judging by a statement made by festival organisers, the FIFA 18 demo will be playable on PS4. So the FIFA 18 demo will be playable as early as next week, and it's good news for PlayStation 4 fans. PlayStation has confirmed it will be showcasing the top upcoming titles at Insomnia61, the UK's biggest gaming festival, this August bank holiday at Birmingham's NEC," reads an Insomnia61 statement.

"Among the titles available to play for the very first time, ahead of their UK launch, is the much-anticipated FIFA 18 from EA SPORTS, available on PlayStation." The FIFA 18 demo will be playable alongside PS4 exclusives like Gran Turismo Sport and Uncharted: The Lost Legacy. They'll be able to enjoy better player animations and more lifelike movement, an overhaul of tactics and team styles on last year's iteration of the footie series, more atmospheric crowds, enhanced dribbling on the pitch and upgrades to The Journey single player campaign as it returns focusing again on hero superstar Alex Hunter. Insomnia61 takes place at the Birmingham NEC from August 25 until August 28, and features the latest games and technology, including the Minecraft Zone, Cosplay Zone, Retro Zone, Zombie Zone and a dedicated Virtual Reality Zone. Tickets are available from as little as £26.14 from the festival website. [visit homepage](#)
