

With [Best Jordans Shoes](#) becoming an annual thing, Complex and Nike will be utilizing the platform again to release exclusive Air Force 1s. Last year, rare AF1s were brought back and sold at the event. This year, numerous collabs will be dropping at the festival.

We've previously reported the [Latest Jordans Shoes](#) will be returning for the first time since 2004 and Travis Scott will drop his removable swoosh collab there as well. Now, three more collabs have announced that they will release there as well. Don C will be getting a collab featuring Snakeskin straps with gold detailing. Errolson Hugh's Acronym will bring back the Lunar Force 1, and add zippers to a white on white colorway. Lastly, the highly anticipated OFF WHITE x Air Force will see release as well.

All [Cheap Jordan Shoes](#) will drop at ComplexCon first, then on SNKRS. All except the OFF WHITE pair. The Roc-a-Fella pair will drop on Nov. 30, the Don C pair will hit on Dec. 1, Travis Scott's pair will hit on Dec. 2 and Acronym's will drop on Dec. 3.
