Man of the Match, commonly abbreviated to MOTM, [coins fifa](#) is an In-Form cards assigned for standout performances in real life cup fixtures, such as Champions League, European League, FA Cup and Turkey Cup. Unlike MOTM cards, iMOTM are only assigned to players in important international football competitions playing by their national teams. You can get a Man of the Match card in the same way you can get any other card: on packs or on the transfer market. If you want to try your luck on packs, you can go to the store and buy them with coins or FIFA Coins. Do you want to know who are the man of the match of FIFA 18?

Do you want to know when you can get them? We will update to you in here. EA FIFA 18 Ratings Refresh is coming! There are hundreds of players are getting their FIFA 18 ratings permanently updated in FUT from February 18, 6PM UK ▪ February 27, 6PM UK!
