This Air Jordan 5 dubbed 'Red Suede' comes dressed in a University Red and Black color theme. Across the uppers is Red which also extends through the midsole. Like the nickname suggests, Jordan Brand has constructed the uppers with suede. Following we have Black accents that land on the shark teeth and liner. Other highlights include 3M reflective on the tongue and an icy translucent outsole.

The 'Red Suede' Air Jordan 5 will release at select Jordan Brand retailers on July 1st, 2017. Retail price is set at \$190. More images can be seen below and make sure to check back with [kd10sale.com](http://kd10sale.com) for updates.
