

The shoe that started it all is coming back, this time with straps.

How do you feel about the [Air Jordan 1 High Strap](#)?

Now we get it :

Open the paper shoes ,here show us the amazing shoes ..

Featuring a Air "Force " 1 High like strap on the ankle, the Air Jordan 1 High Strap makes uses of some interesting materials for a unique look.

All of shoes utilized the material such like fiber fabric, beside the upper utilized 3mm white strap. We can see the french blue parts clearly which use the fiber fabric with leather material .

It is amazing that the design of shoes . different color which use different material . Upper of shoes use some leather material which Stitching leather and cloth, mainly rely on the traditional manual suture techniques, Whatever the Logo on the side of upper , or stitching part of toe , heel ,lace are using the suture method.

It is surprise that a Jordan logo on high upper side .

And there are Jordan logo on the the tongue and heels.

Though Jordan ' sole is thin ,especial the forefeet, it is not effect the grip and
