

[Best Jordans Shoes](#) has been cranking out a multitude of Scottie Pippen's signature silhouette for the past year and a half and the classic Chicago Bulls' color themes have come to a halt. Now the Swoosh is preparing to drop more lifestyle colorways in the near future. We've gotten an initial look at the 'Tri-Color' Nike Air More Uptempo and now we're getting a good look at the sneaker in a neutral, earth tone 'Olive' hue which has officially been dubbed the 'Dark Stucco' color scheme. The [Latest Jordans Shoes](#) feature an appropriately perforated nubuck base drenched in 'Dark Stucco' while the oversized 'AIR' phrase comes in black leather along with matching Nike branding, and accents. Olive-colored elastic rope heel and tongue pull tabs hit the ankle collar of the kicks while sitting atop a visible AIR unit installation, and a partially herringbone patterned traction system. Unfortunately, [Cheap Jordan Shoes](#) the Swoosh has yet to reveal any release information in regards to the Nike Air More Uptempo 'Dark Stucco' but stick with SneakerWatch as details unfold and we'll have an update for you in the near future. Until then, drop your thoughts on these joints in the comment section below.
