

Dark Grey is a big color scheme this year as [Best Jordans Shoes](#) rolls out another pair, this time under the Air Jordan 12 silhouette. Suffice to say, the kicks are still as good looking as ever with the Dark Grey color combination adding to the line of classics in the market today. One of the top new Jordans in the market today, this particular pair boasts of the classic grey-grey combination. It's a little understated at first look, but you'll soon appreciate the sophistication of the kicks as you check out every small detail it has to offer.

The [Latest Jordans Shoes](#) name is exactly right as this Air Jordan 12 sports a grayish hue from every angle. The intensity of the shade is the only thing that changes as you look over the body, specifically the soles of the shoes which provide a sleeker surface compared to the rest of the body. True to the Air Jordan 12 silhouette, there's a snake-like surface running along the vamp parallel with the line of the soles of the shoes.

The metallic gold eyelets add a dash of [Cheap Jordan Shoes](#) in the mix, making no mistake that the Air Jordan 12 "Dark Grey" is part of AJ royalty. The eyelets sport an unmistakable Jumpman logo beautifully embossed on the surface. Aside from the Jumpman on metallic gold, the same logo can be seen at the center of the tongue. This particular icon sports a slightly fainter hue of grey with a clear outline that's hard to miss. From the back is the same Jumpman logo but with the Jordan words vertically traveling down the path of the heel.

The laces are done in dark grey with a circular pattern. It's a fairly good mix with the overall body of the shoes although you might have a hard time replacing the laces if you lose them so just make sure you don't. All in all, it's a good buy and should be an ideal choice for both men and women ▪ provided that the ladies out there can find one their size!
