

The [Best Jordans Shoes](#) release is 2017, specifically on the 18th of November. The price tag for these kicks is set at \$190, making it well within the typical range for Air Jordan shoes. Of course, if you're not a fan of this particular pair, you can always check out additional products from Air Jordan this year. There are also promising releases for 2018 that you might want to check out. Either way ▪ Nike is offering loads of tempting shoe choices for the sneaker lovers out there!

The [Latest Jordans Shoes](#) are done in dark grey with a circular pattern. It's a fairly good mix with the overall body of the shoes although you might have a hard time replacing the laces if you lose them so just make sure you don't. All in all, it's a good buy and should be an ideal choice for both men and women ▪ provided that the ladies out there can find one their size!

The metallic gold eyelets add a dash of "expensive" in the mix, making no mistake that the [Cheap Jordan Shoes](#) "Dark Grey" is part of AJ royalty. The eyelets sport an unmistakable Jumpman logo beautifully embossed on the surface. Aside from the Jumpman on metallic gold, the same logo can be seen at the center of the tongue. This particular icon sports a slightly fainter hue of grey with a clear outline that's hard to miss. From the back is the same Jumpman logo but with the Jordan words vertically traveling down the path of the heel.
