Where have the adidas Yeezy Boost 350 V2

For fans of the [adidas Yeezy 350 for sale](#), this Holiday season we have a large lineup set to take place. A total of three will launch known as the 'Beluga 2.0', 'Blue Tint' and 'Semi Frozen Yellow'.

Looks like adidas will be changing around the months on these releases according to Yeezy Mafia. The adidas Yeezy Boost 350 V2 'Beluga 2.0' will now release during December, the adidas Yeezy Boost 350 V2 'Semi Frozen Yellow' will now release during November, the adidas Yeezy Boost 350 V2 'Blue Tint' will still release during December. During October, something new will release instead of the 'Beluga 2.0'.

The adidas Yeezy PowerPhase in 'Black' and 'Grey' will release either late December or early January.

Once we have more information, we will make sure to update you. It's possible that the 'Red Night' colorway will debut during October.

1. adidas Yeezy Boost 350 V2 'Semi Frozen Yellow'

The [adidas Yeezy Boost 350 V2 'Semi Frozen Yellow'](#) is another Yeezy Boost 350 V2 that will release during November 2017. The brand new colorway is one of two releasing for the Holiday season.

Although images have yet to leak of this upcoming adidas Yeezy 350 Boost V2, they will feature a Semi Frozen Yellow, Raw Steel and Red color combination. What you can expect is Primeknit used across the uppers along with Boost technology. The outsole is said to feature Gum.

The adidas Yeezy Boost 350 V2 Semi Frozen Yellow will release at select adidas Originals retailers on November 18th, 2017.

2. adidas Yeezy Boost 350 V2 Blue Tint

The [adidas Yeezy Boost 350 V2 'Blue Tint'](#) is releasing for the Holiday 2017 season. Combining new colors for December, they are expected to be one of the last Yeezy 350 Boost V2 releases of the year.

While we wait for a first look, here we have a mockup of what this adidas Yeezy Boost 350 V2 will look like. Featuring a Blue Tint, Grey Three and High Resolution Red color combination. Featuring a Grey Primeknit upper, we have accents of an Icy Blue while Red lands on the SPLY-350.

The adidas Yeezy Boost 350 V2 Blue Tint is scheduled to release at select adidas Originals retailers on December 1st, 2017. Retail price will be \$220.

3. adidas Yeezy Boost 350 V2 'Beluga 2.0'

adidas Originals will debut another Yeezy Boost 350 V2 which appears will be a follow up to the first release, the 'Beluga'. Showcased is the adidas Yeezy Boost 350 V2 'Bold Orange' that will launch during November 2017.

This adidas Yeezy Boost 350 V2 comes dressed in a Grey, Bold Orange and Dark Grey color theme. While we wait on images to officially surface, a rendering has landed which makes them look very similar to the 'Beluga'. Some of the biggest differences are the use of Bold Orange accents in the addition of a heel pull tab.
