It's been ten years since Kevin Durant joined the [Nike family](#). As he's matured both on and off the court, his shoes have evolved and his partnership with the Nike design team has continued to grow.

Today he's part of the process from conception to completion, working through every detail to improve on-court performance and tell unique stories through colors and graphics. "This evolution with Nike, to be on my tenth shoe . . . it's a dream come true," KD says.
