#### 1. Air Jordan 9 LA 302370-021 Releasing in February 2018

The [Air Jordan 9 'LA'](#) is part of Jordan Brand's releases for All-Star Weekend 2018 which will take place in Los Angeles, California.

Looking closer, this Air Jordan 9 comes dressed in a Black, Summit White and Metallic Gold color combination. On the mudguard and heel is White tumbled leather while Black nubuck is applied to the uppers. Following we have Metallic Gold accents and a translucent outsole. Finishing the look is a map of Los Angeles on the insoles.

The Air Jordan 9 LA is scheduled to release at select Jordan Brand retailers during All-Star Weekend which will take place in February 2018. Retail price will be \$190.

#### 2. [Brown Leather Air Jordan 9 Baseball Glove](#) retailers on 2018

Air Jordan 9 Brown Leather Baseball Glove is apart of a new pack from Jordan Brand which will release alongside the Black edition. Michael Jordan had a short stint in baseball playing for the Birmingham Barons and the Brand continues to pay homage to his legacy in the sport.

This Air Jordan 9 is similar to that of the previous baseball inspired release which will feature the number 35 on the heel, woven lacing on the panels and heel just like a baseball glove and raw finished laces. Making this pair different is Brown leather used across the uppers. Completing the look is a White midsole, Jumpman branding and striped insole.

Here is where things get interesting. Rumor has it that each pair you purchase will be wrapped in plastic, similar to that of baseball cards. You won't know which pair you will get until you actually open the packaging. This could also lead to be trading just like back in the days with baseball cards.

3. Air Jordan 9 Bred 302370-014 retailers on March 10th, 2018.

The Air Jordan 9 'Bred' is apart of [Jordan release date 2018](#) and adds to the growing Air Jordan 9 lineup.

This Air Jordan 9 touches on the classic releases we have seen which comes dressed in a Black, Anthracite and University Red color theme. Taking over the shoes is Black which runs across the uppers, midsole and almost everywhere else. Constructed with a mixture of leather and patent leather, University Red lands on the Jumpman branding, tongue and heel. Completing the look is Anthracite across the outsole. The 'Bred' Air Jordan 9 will release at select Jordan Brand retailers on March 10th, 2018. Upon its release, retail price will be \$190.
